ALLEGED FORGER ARRESTED

Hattie Hamilton, colored, of the county, was arrested by Patrolman Robt. Lusk on a charge of forging the signature of Charles S. Clarke to a check for \$15 and one with the name of R. H. Burris, for \$25. The checks were presented at the Friedman shoe store in payment for a bill of goods purchased there. The woman purchased a pair of shoes from Clarence Ashurst, clerk, and tendered in payment a check for \$25, purporting to have been signed by Chas. C. Clarke, of the North Middletown vicinity. She was given the difference in cash. After she had left the store Ashurst discovered the forgery and started in pursuit. The woman fled up main street to Eighth, into Singler's Alley, and back through Seventh down High to the court house, where she ran into the arms of Patrolman Lusk, with Ashurst a close second. It developed afterward, according to the officer, that a short time before the woman had passed a check, alleged to have been signed by R. H. Burris, of the Little Rock vicinity, for \$15, at the Cincinnati Store, also owned by Friedman. The woman gave up the money to the police, to whom she is alleged having confessed the forgeries. She gave bond for her hearing in the County Court before Judge George Batterton.

RUMMANS' STORE ROBBED

Son Hawkins, alias Buddy Myers, colored, was arrested Tuesday on the Xalapa Farm, near Paris by Patrolman Robert Lusk and placed in the Paris jail on a charge of house-breaking. The negro is alleged to have effected an entrance Monday night to the clothing store of Stanton Rummans, and stealing goods valued at \$150. Hawkins visited the Rummans store Monday and asked to be shown some silk shirts. Mr. Rummans waited on him, but after inspecting the assortment, the negro departed without making a purchase. During the night the store was robbed, and among the goods taken was a number of silk shirts. Suspicion pointed to Hawkins. When arrested he was attired in articles of wearing apparel which Mr. Rummans identified as belonging to his stock. He had on a new pair of shoes and in a new handbag was several silk shirts belonging to the Rummans stock. Hawkins, it was alleged, had an accomplice, George Davis, alias Curley, who escaped. Both men resided in the negro suburb of Claysville. On the night of the robbery Mr. Rummans had just taken home with him \$700 in money, for safe keeping. Hawkins is suspected of being the man who bound, gagged and robbed Clarence Hill, sixteen-year-old son of the manager of the Drury Baking Co., while he was making bread deliveries and collecting bills.

BOURBON COMMERCIAL CLUB PERFECTS ORGANIZATION

"That bunch of business men looks like a live wire real business men's club," said an enthusiastic Paris business man, as he surveyed the group of men gathered at the court house Tuesday night representing the newly-organized Bourbon Commercial Club. This, the second meeting of the new organization, was largely attended, and everyone seemed to be imbued with the spirit of co-operation and helpfulness, and a determination to put Paris on the business map through the efforts of their organization. It was essentially a business men's meeting, and as such, formulated plans for the future that may mean much for business progress of Paris. The meeting was presided over by Arthur B. Hancock, who briefly set forth the objects sought by the formation of a Commercial Club. Before the business meeting began E. W. Glass, manager of the Liggett & Myers Tobacco Co.'s local branch, and H. A. Power, president of the Power Grocery Co., distributed cigars and cigarettes. While the members deliberated they drew inspiration from the "smokes" passed around. A committee was appointed and arrangements perfected for assisting Mayor E. B. January in boosting the reputation of the Louisville Board of Trade Heads of Houses, when they come to Paris on Friday, June 11. The Club took up and discussed a number of business projects for the good of Paris, with a promise of getting behind them and pushing them forward to a successful conclusion. An election of a Board of Directors and officers resulted as follows: John T. Collins, president; Edward H. Gorey, vice-president; Clarence K. Thomas, treasurer; Board of Directors: Catesby Spears, M. Peale Collier, H. A. Power, I. L. Price, John T. Collins, B. M. Renick, John J. Williams, E. H. Gorey, A. B. Hancock.

A committee composed of A. B. Hancock, C. K. Thomas, Geo. W. Wilder, B. M. Renick and John J. Williams was appointed to draft a constitution and by-laws, and report at the next meeting to be held on Tuesday night, June 8. Chas. F. Dunn, Secretary of the Lexington Board of Commerce, will be present at this meeting and assist in the adoption of the constitution and by-laws. Every member of the club present at the meeting Tuesday night promised to be present next Tuesday night, and to bring some one with him as a prospective member of the Club and a future booster for the good of Paris. Every business man in Paris should make it his pleasure and duty as well to attend the meeting to be held Tuesday night. Each one may be a potential factor for good and each one may have the germ of a practical business suggestion that would be of benefit to the community. Each one may be a live wire, of a buzzing high tension, loaded with the electric current of co-operation, energy, push and vim. The opportunity lies before them. Be there Tuesday night. Don't wait for the other man. Be a first-past-the-post and make the Club hum!

The election of a permanent secretary for the Club, to be paid a salary that will enable him to devote his entire time to the Club's interests, was deferred until the meeting next Tuesday night. A committee composed of John J. Williams, B. M. Renick, Geo. W. Wilder, A. B. Hancock and C. K. Thomas was appointed to recommend a secretary and plan a program of activities for the Club. **ATTENTION, BUILDERS!** If you don't do it now you may regret it. Carpenters are scarce and the lumber supply is far below the demand. Call phone 122. **BOURBON LUMBER CO.** (apr 2-tf) **NOTICE K. OF P.** All members of Rathbone Lodge K. of P., are requested to be present at 2:15 p. m. to-day at the Paris Cemetery, to attend in a body the funeral of Brother A. N. Parker. The services will be conducted by the lodge and a full attendance is requested. **ROSCOE CARMICHAEL, C. C.** **NOTES OF THE LODGES.** Bourbon Lodge No. 26, I. O. O. F., will attend the memorial exercises to be held in Lexington, Sunday, June 13, by the Lexington and Fayette county lodges, making the trip in a special car over the interurban line. At a special meeting of the Rebekah Lodge, held in their lodge room last night, arrangements were perfected for giving a strawberry supper next week. The supper will be given on the regular meeting night, and all the members are urged to be present. The regular meeting of the Pythian Sisters, auxiliary of the Knights of Pythias, held in the lodge room last night, with a large attendance. Several candidates were given the initiatory degree. The State officers of the Pythian Sisterhood, Mrs. Dena Chapman, Mrs. Laura Ellis, Mrs. Eva Farrell and Mrs. Berley of Newport and Covington, recently paid a visit of inspection to the lodge. Refreshments were served.

COMMITTEES APPOINTED TO MEET LOUISVILLE BOOSTERS

On Wednesday, Mayor E. B. January announced the members of the committee who will be on the receiving line to greet the Louisville delegation when the special pulls into the Tenth street station of the Louisville & Nashville on the morning of the eleventh. The personnel of the committee is as follows: John N. Davis, Frank P. Kiser, W. R. Blakemore, David Feld, I. L. Price, R. P. Walsh, J. A. Stern, Robt. Frank, C. P. Cook, C. P. Mann, Dr. Robt. Shea, M. J. Lavin, Col. Geo. D. Speakes, Harry Baldwin, J. A. Morrison, W. G. McClintock, Wm. Shire, Geo. W. Wilder, Rudolph Davis, Pearce Paton, D. C. Parrish, Chas. Green, F. P. Lowry, E. M. Wheeler, H. A. Power, Sherman H. Stivers, Ollie Marshall, Jno. Merringer, W. O. Hinton, T. W. Spicer, John T. Collins, J. Simms Wilson, Swift Champ, Geo. Doyle, Bruce Miller, C. B. Mitchell, James Daugherty, W. W. Mitchell, Dan Peed, Sr., Dr. F. M. Faries, Dr. J. A. Orr, R. C. Ruggles, Charles Webster, C. B. Harrison, Judge George Batterton, Harry Linville, Peale Collier, B. M. Renick and Monroe Mansfield.

One of the most prominent business men of the Falls City, who will be with the visitors, is Mr. Granville R. Burton, vice-president of the firm of Crutcher & Starks, who will come as the official representative of the Louisville Convention and Publicity League. It has been said of Mr. Burton that he spends more money in advertising in newspapers outside of Louisville than does any other retail business man in Louisville. He is a man of broad vision. He will probably make an address here as a representative of the League. Mr. Burton is a great believer in publicity and the value of tying the people of Kentucky to each other, not particularly of tying them to Louisville, but of tying Louisville to the rest of Kentucky, as well as tying all other Kentuckians to Louisville.

FAMOUS BAND COMING TO PARIS, MONDAY, JUNE 7.

Much interest is being displayed by the music lovers of Bourbon county in the concert by the Royal Scotch Highlanders to be given at the Paris Grand, Monday night. News has reached us from various sources that the band is better than ever and the program to be given here will be well worth hearing. Variety will be given the entertainment by the interspersing of instrumental and vocal solos, including Mr. Bobbie Brallier, the famous Scotch Tenor.

This band has been the delight of thousands at Atlantic City, Florida winter resorts, famous race courses, trots and State fairs; they played for three consecutive seasons at St. Petersburg, Florida; in the summer of 1919 at Young's Million Dollar Pier, Atlantic City, and was chosen to give the opening concert at the Cincinnati Zoological Gardens. The Scotchmen will appear in their native uniforms and under the personal direction of Mr. Roy D. Smith. Mr. Smith's fame as a musical director is well known, and too much could not be said of his ability.

Through the efforts of the Bourbon Post of the American Legion the Royal Scotch Highlanders were secured for this performance. All profits accruing from the proceeds will go to the Legion's Fund.

A large advance sale of tickets is being put on and seats are selling like hot cakes. Difficulty in securing seats is going to be experienced by many, as the band is here for only one concert this season.

Get tickets from any Legion man or at box office, Paris Grand Opera House. Gallery, 50 cents; Balcony, \$1.00; Down Stairs, \$1.50—war tax included.

DIVISION BOARDS TO MEET.

Superintendent of County Schools J. B. Caywood has received a letter from State Superintendent George Colvin, advising him that the second teachers' examinations will be held on June 18 and 19. In the letter Mr. Colvin says: "Your Division Boards will meet on June 5 to elect teachers. Advise them that in case teachers are nominated who hold no certificates in effect for the ensuing school year, such teachers should not be elected at this meeting. If teachers who took the last examination are elected, their election must be conditioned upon their having successfully passed that examination. All elementary certificates issued by the State Board will be good in all elementary schools, large or small. Second Class County Certificates are not good for principal or assistant in any elementary or graded school, and are not subject to validation in other counties. We hope to send out checks for county examiners in a few days."

In accordance with the above Supt. Caywood has notified the trustees of all the Bourbon county schools to meet in his office in the court house to-morrow, Saturday, June 5, between 1:00 and 2:00 p. m., to select the teachers. All teachers must file applications.

NOTES FROM THE Y. M. C. A.

The Economic Committee of the Y. M. C. A. announce the organization of a Farmers' Working Reserve. Efforts will be made to put some one desiring to work, also to work up delegations among the men and boys of the towns to go out and assist farmers in their work.

In some places merchants and city residents are giving one day a week to farm work. Any one available for any work of any kind can register at the Y. M. C. A., and those desiring help can call at the Y. M. C. A. Every effort will be made to secure help for those wishing it. The plan has the endorsement of the leading business men of the town and county. The committee is composed of Messrs. Pearce Paton, R. F. Clendenin, John T. Collins, Hiram Redmon and C. B. Harrison.

A large number of acceptances to the Victory Boys and Girls Workers Banquet at the Y. M. C. A. to-night have been received, giving every indication that the banquet will be a great success. L. D. Sampson, well-known locally, hero of the Fifth Marines, and Rev. T. S. Smylie will represent the war veterans. Miss Margaret Lavin will reply for the Victory Girls Workers, and Mr. Norbert Friedman will reply for the Victory Boys' Workers.

Mr. Owen L. Davis, chairman of the Boys' Work Committee, will preside and present the Victory certificates. A number of the mothers of the boys and girls will act as hostesses and wait on the tables.

The Y. M. C. A. Boys' Work Committee has appointed Mr. Sheffield recruiting secretary for Camp Daniel Boone. Mr. Sheffield will begin at once to take applications for the camp. The Bourbon County Association has been assigned the Boys' Scout period from July 14-25, and is entitled to send 40 boys. The boys are already working up their tent group and are sure to fill the quota. Boys wishing to go to Camp should see Mr. Sheffield at once.

HEALTH OFFICER BUSY.

Dr. A. H. Keller, City Health Officer, states that Paris is being put in a good sanitary condition, and that the sanitary requirements are being fully met by the citizens of the city in a very satisfactory way. He has made a general inspection of conditions and finds them satisfactory. There have been a few exceptions where the parties had to receive a second notification, but in the main the non-observance of the sanitary laws has been due to utter ignorance or carelessness.

PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia F. Pinkham's Vegetable Compound.

Wyandotte, Mich.—"For the last four years I have doctored off and on without help. I have had pains every month so bad that I would nearly double up. Sometimes I could not sweep a room without stopping to rest, and everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not eat without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug-store to get me a bottle of Lydia F. Pinkham's Vegetable Compound and threw the doctor's medicine away. After taking three bottles of Vegetable Compound and using two bottles of Lydia F. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may publish this if you like that it may help some other woman."—Mrs. M. A. Y. STENDER, 120 Orange St., Wyandotte, Mich.

ATTACKS INTERCHURCH MOVEMENT.

An attack on the Interchurch World Movement was launched in the general assembly of the Southern Presbyterian Church, at Charlotte, N. C. Dr. Joseph I. Vance, of Nashville, declared "a lot of money had been wasted by officials of the movement," and declared it was now enveloped in a "crisis of severe and widespread criticism."

LATONIA DERBY NEXT BIG RACING CLASSIC.

Now that the Kentucky Derby has been run and won and the Preakness Stakes at Pimlico has passed into history, the next great race for 3-year-olds is the Latonia Derby, which will be run on June 12. The Kentucky Derby was a mile and a quarter, the Preakness a mile and an eighth, but the winner of the Latonia Derby must go a full mile and a half, which is a grueling test.

Under the terms of the race maidens are allowed seven pounds, and the winner of a 3-year-old race of \$10,000 in 1920 must take up five pounds extra. A novel feature of the Latonia Derby is that the winner, if he be also the winner of the Kentucky Derby, will receive \$5,000 additional. In other words, if Paul Jones is good enough to repeat his Churchill Downs victory at Latonia, he will receive \$15,000, which is added to the stake and an honorarium of \$5,000 more.

The Latonia Derby, which in 1883-84-85-86 was run as the Hindoo Stakes, has been won by some of the greatest horses on the turf. Beginning with Loenatus it includes that game filly Los Angeles, Halma, the sire of Alan-a-Dale; Ben Brush, whose daughter, Lorraine, won the Kentucky Oaks last Wednesday at Churchill Downs; Ornament, who should have won the Kentucky Derby in 1897; Sir Huron, Governor Gray, Free Lance, John Gund, Royal II, Liberty Loan and last year, Be Frank.

These Tires Are a Revelation

The Brunswick is frankly a combination of the best in tire building.

There is one tread that's supreme beyond question. And that is now on Brunswicks.

There is one side-wall construction, which, by every test, holds the summit place for endurance. And that one was adopted for Brunswicks.

Fabrics differ — up to 30 per cent — in their strength tests. On Brunswicks the maximum long-fiber is the standard.

There are certain additions, each one expensive, which add vastly to tire mileage. The Brunswick embodies all these extras.

There are no patents, no secret formulas to prevent any maker from building the best. It is simply a question of knowledge and skill—cost plus care.

Brunswick standards are known the world over. The very name certifies an extraordinary tire. Yet Brunswicks cost no more than like-type tires.

Buy ONE Brunswick. It will prove that a better tire cannot be bought, regardless of price.

INVENTIVE GENIUS ROBS CALOMEL OF NAUSEA AND DANGER

Doctors' Favorite Medicine Now Purified and Refined from All Objectionable Effects. "Calomel" is the New Name.

What will human ingenuity do next? Smokeless powder, wireless telegraphy, horseless carriages, colorless iodine, tasteless quinine, now comes nausealess calomel. The new improvement called "Calomel" is now on sale at drugstores. For biliousness, constipation and indigestion the new colored tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calomel. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. By morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business. Calomels are not sold in bulk. Get an original package, sealed. Price, thirty-five cents.—(adv.)

WHY WOMEN SUFFER

Many Paris Women Are Learning the Cause

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness. Irregular urinary passages, weakness, languor—Each a torture of itself. Together hint at weakened kidneys. Strike at the root—get to the cause.

No other remedy more highly endorsed than Doan's Kidney Pills. Recommended by thousands—Endorsed at home.

Here is convincing testimony from a Paris citizen. Mrs. J. W. Markland, 326 Eighth street, says: "Some few years ago I suffered severely with kidney complaint and sometimes was in a serious condition. I had a constant, dull ache across the small of my back and I was terribly dizzy, at times. I have used Doan's Kidney Pills for this trouble and they have helped me more than anything else, always relieving me of the complaint."

A NECESSARY NUISANCE

An exchange says that a telephone is a Godsend to gossips, a bone of contention to the business man, a daily hades for the operators, a germ mobilizer to sanitation experts, a boon to ear doctors, a lounging post for the lovelorn, a creator of martial strife in matrimony, a plaything for the infants, a receptacle for abuse, sorrow, happiness, and—well, what's the use when we can't do without it?

Without going to extremes, even the ball team that is at the foot may indulge in a double-header.

Louisville Greets Paris

LOUISVILLE, gateway of the South and the first city in industrial importance south of the Ohio and Potomac rivers, appreciates the marvelous progress of the Cumberland mountain section, both in Kentucky and Virginia.

Louisville knows of your immense development of your resources of coal and oil and timber. It feels there is quite a bit of truth in a mountain-man's declaration that "the time has come when the tail is going to wag the dog."

But aside from your material advancement, Louisville has a blood interest in the Cumberland mountain section, because a large part of Louisville's population is descended from old Virginian stock that came "through the Gap" into Kentucky.

So representatives of Louisville's 1,200 wholesale houses, who last year did a business of \$750,000,000 and of Louisville factories, which last year turned out products valued at \$20,000,000, are planning to visit your city on their Cumberland Mountain Trade Excursion, of June 7 to 11.

They'll bring with them, as guests, Major General Charles P. Summerall, who commanded the World Famous First Division in France during the great war and who is now stationed at Camp Zachary Taylor; also interesting speakers and a military band.

Louisville wants to make new acquaintances and to renew old; to hear some of your problems and to tell you some of hers; to work with you for the mutual development of "our own people."

Good luck to you, we shall see you soon!

PARIS HIGH SCHOOL NOTES

The Senior Class play, "Stop Thief," which is to be presented in the auditorium on June 8 and 9, has been given a thorough series of rehearsals under the direction of Prof. Edwin Saxton, of the State University, and with the cast of characters in capable hands, those who attend may expect to witness a finished production. The students have grown very enthusiastic and are predicting great things for the actors and actresses who take part.

The greatest meeting in the history of the P. H. S. Alumni Association is predicted for the night of June 10. Responses received from letters sent to out-of-town graduates indicate a large attendance. One of the principal speakers at the banquet will be Dr. W. C. Bower, of Transylvania College. The other speakers are all former graduates of the P. H. S. A splendid musical program has been arranged, and the menu for the banquet will be one that will tickle the palates of all who participate. The whole program is a most ambitious one, and will celebrate the admission to the charmed circle of the twenty-four new graduates.

\$80,000 IS GIVEN TO KENTUCKY COLLEGE

The General Education Board, of which Dr. Wallace Butterick is President, has made a grant of \$80,000 toward the endowment of Transylvania College.

The gift is made on the condition that Transylvania add \$160,000 to the endowment in the near future. The General Education Board agrees to pay this amount within a period of three years. However, it will pay the college \$6,000 next year, \$5,000 the second year, and \$4,000 the third year as interest, unless it finds it convenient to pay the \$80,000 gift sooner.

This is the second gift that the General Education Board has made to Transylvania, the first amounting to \$50,000, which was conditioned on the college raising and adding to the permanent funds \$150,000.

President R. H. Crossfield returned from New York a few days ago, after visiting the General Education Board, and said that the officers of that organization stated that fifty colleges of the six hundred in America had been selected by the Board for immediate help, and that Transylvania was one of the fifty.

BOY WANTED FOR THEFT

Winchester and Paris police are looking for Elmer Alexander, a seventeen-year-old white boy, who is wanted for the alleged theft of a sum of money from John Arnold, of North Middletown, by whom he had been employed for several weeks. Mr. Arnold told the police that the boy got up at an early hour Wednesday morning before any of the family were awake, took Mr. Arnold's trousers from his room, and carried them to the kitchen, where he secured a pocket book containing about \$30.

Upon discovering the loss of his trousers and money Mr. Arnold went to the barn for his auto to start in search of the boy, but found that the tires had been cut to pieces and the gasoline run out of the tank, rendering the machine useless. Young Alexander claimed his home to be in Campton, in Wolfe county.

HERE'S A CHANCE FOR OUR COMMERCIAL CLUB.

The business men of Carlisle are contemplating a motor tour through Central Kentucky, carrying out the "Get Acquainted" idea advanced by the recent visit of Lexington merchants. Plans for the tour will be announced later.

THE NEWS would offer as a suggestion to the Bourbon County Commercial Club that a similar plan be adopted here for the purpose of getting the people of Bourbon county better acquainted with the local trade. Motor trips could be made to all the precincts in the county, where investigations could be conducted as to why the people of those particular precincts prefer to deal in Winchester, Lexington or Cincinnati, in preference to their own home town. Of course it would be out of the question to extend the tour to the mail order houses in Chicago, which take thousands of dollars away from Paris and Bourbon county each year, but we might persuade our own people to deal with us—perhaps. Is it worth while to try? Many merchants in Paris can tell of some of their customers who have charge accounts with them, yet go to Lexington and make purchases of goods for which they pay the spot cash. And the mean part of it is that they get no better class of goods than their home merchant could furnish them.

AGED EDUCATOR REVISITS OLD HOME HERE.

After an absence of nearly fifty years, during which time he had made his name revered as an educator, Prof. W. S. Giltner, of Covington, is visiting Paris, his former home, and renewing acquaintances and friendships of the long ago.

Prof. Giltner, who laughingly claims to be "only ninety-three years young," held an impromptu reception at the office of Mayor E. B. January yesterday, where he was warmly greeted by many of the friends he had known here in the long ago. Prof. Giltner taught school in Paris in 1853. Since leaving here he has been at the head of notable educational institutions, among them the school at Eminence which was sold some time ago to the Odd Fellows for a home for widows and indigent Odd Fellows. He stated that in spite of his years he had never been sick a day in his life and had never an ache or a pain. Prof. Giltner performed his first marriage ceremony at Monterey, in this county, in 1857. On November 24, 1857, he performed his first ceremony in Paris, when he officiated at the wedding of John B. Northcutt, who was one of the old friends to greet him yesterday. The marriage took place in the old residence at the corner of Pleasant and Eighth streets, then occupied by Mr. and Mrs. Jack Hook. Mr. Hook operating the livery stable at that time. Prof. Giltner called on Mr. George W. Davis, Paris' "grand old man," and the two had a happy time exchanging reminiscences of the old days in Paris. He has a wonderfully accurate memory, and his hearers were treated to a resume of happening in the Paris of two generations ago, about which many of them had but a faint recollection. Prof. Giltner will be a guest of friends in Paris for several days.

With Mrs. Oldham there were present at the meeting Mrs. R. B. Hutchcraft and Mrs. Louis Rogers, of Paris; Mrs. John A. Herring, of Georgetown; Mrs. A. B. Goddard, of Harrodsburg; Mrs. J. G. Johns, of Winchester; Mrs. R. R. Burnham, of Richmond; Mrs. W. D. Huffman, of Louisville.

FEDERAL COURT TO OPEN AT LEXINGTON.

The first term of the newly-constituted Federal Court for the Eastern District of Kentucky will be convened at Lexington on June 14, with Federal Judge A. M. J. Cochran presiding. Among the jurors who have been summoned for service are the following from Bourbon county: Grand jurors: I. D. Thompson, Paris; Frank Hundley, Little Rock; Frank Redmon, Paris. H. T. Ingram, Paris; Petit jurors: E. P. Weathers, Clintonville, Will Rose, Paris, Ben Woodford, Sr., Paris, J. W. Larkin, Paris.

GRASS SEED SEASON ON.

The stripping of blue grass seed in the county has begun, and will continue until the crop has been harvested. Heavy rains Wednesday and yesterday interfered with the work, which will be resumed again. Dealers have not made public announcement of the price to be paid for the seed. The crop this year will not be an unusually heavy one. Frank Collins, of Bourbon county, purchased the seed-stripping privileges on seventy-five acres of land in Fleming county, belonging to Reuben E. Tolle, near Flemingsburg Junction.

REAL ESTATE TRANSACTIONS.

Roy F. Clendenin sold recently to Mr. Perry, of the grain and commission firm of Perry, McCann & Mitchell, his residence on Cypress street, for \$10,000.

Those who are slow to anger should have no fear of being placed in the also run class.

THE OPEN SEASON FOR AUTO-MOBILE DISASTERS.

An "ominous increase" in the number of deaths from automobile accidents is noted in the 1919 report of a great life insurance company. The deaths among their policy holders have increased from 175 in 1911 to 1,332 in 1919. Ominous indeed, when it is remembered that this is only a small percentage of the total number of deaths from such accidents, the mortality rate being 50 per cent higher than for typhoid.

Neither city nor country can wash its hands of responsibility. There is reckless driving by the operator of the town car, but none the less, in proportion by the rural drivers. The trouble is universal.

There must be more stringent traffic laws in all communities, better education of the public, more places where children can play in safety. The heaviest toll is in the lives of the children. We must have better standards for drivers, and swifter punishment for the careless.

And it is most of it carelessness. Nobody wants to kill a child or one of his fellowmen with his automobile.

The open season for automobile disasters is upon us. Remember the "ominous increase," and be careful as never before.

GOOD FARMING WEATHER

Weather conditions have been ideal for farm work in the past few days. A great deal has been accomplished by Bourbon county farmers in the way of planting crops that were delayed for so long by the wet weather. Practically all the corn crop has been planted in the higher and dryer sections, and many farmers have put out the larger portion of their tobacco crop. Those who have transplanters are using them to great advantage, as plants are all ready for setting. All kinds of farm work has been advanced by the seasonable weather.

WAS HIS LUCKY DAY, HE STATES

"Tanlac Soon Had Me Feeling Just Like a Different Man," Says
Phillip Deppe.

"It was a lucky day for me when I started taking Tanlac," said Phillip Deppe, 807 East Market street, Louisville, Ky., a well-known plumber, who has been in the employ of P. A. Vogle & Son, for many years.

"Why, I actually gained eight pounds in weight in two weeks time when I began taking it and the benefits I have received from it are little short of marvelous. For the past two years I had suffered severely from stomach trouble. After every meal what I ate began to sour and I would taste it for hours, and there was a heavy, indigestible feeling in my stomach. I often had terrible dizzy spells, when I would become very weak, and at times I had to grab hold of something to keep from falling. Also about a year ago I began to suffer with rheumatism in my arms and legs, which pained me all the time, and often my muscles seemed to just draw into knots and it was an effort for me to get around. Then, too, I was bothered a great deal from constipation, for which I had to always be taking some sort of laxative.

"I tried many different treatments and medicines without getting any relief, and had become very much discouraged, but when I saw where Tanlac had benefited so many others who described their condition as being similar to mine I decided to give it a trial. Well, sir, it just seemed to fit my case exactly, and went right after my troubles at once, and soon I was feeling a different man. I now haven't a trace of stomach trouble, can eat anything I want and everything agrees with me perfectly. My appetite is great and I enjoy what I eat more than I have in years. The rheumatism left me almost as soon as I began taking Tanlac, I never have a pain of any kind and can get about as good as I ever could. In fact, I feel better in every respect than I have in years, and as I owe it all to Tanlac I am only too glad to recommend it to everybody."

Tanlac is sold in Paris at the People's Pharmacy.

SWIFT & CO'S WEEKLY PRODUCE MARKET REVIEW

There is an active demand for fresh poultry and although the supply is larger, prices show little change.

The supply of eggs during the week has been sufficient for current and storage requirements and prices are ruling lower than a week ago.

There has been a seasonal increase in the amount of cream delivered to our creameries this week, but a larger supply than necessary for current requirements and butter has not generally been of satisfactory quality for storage. It is expected, however, that we will get full grass butter during the first week of June. Prices are ruling lower than the previous week, due to the larger receipts, and are also affected to some extent by the importations of foreign butter.

CATARRHAL DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and tube rested to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

REFUSES TO INDICT MOVING PICTURE SHOWS

The grand jury at Henderson, adjourned after refusing, by a vote of 7 to 5, to return indictments against alleged violators of the Sunday closing law. The fight against Sunday violations was started three months ago by the Ministers' Association against picture shows, which closed voluntarily after being fined the lowest amount possible under the law. The picture show proprietors say they will reopen soon.

BOOZE IS NOT A GOOD CURE

(From the Ames Iowa Intelligencer.)

When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

COUNTRY SHOWS A GROWING TENDENCY TOWARD THRIFT

A growing tendency toward thrift, a general revision downward of prices of all commodities except food, and improvement in the labor situation are three encouraging factors in the report of the Seventh Federal Reserve District.

"A most encouraging development of the last month has been a growing tendency on the part of the general public toward thrift," says the report. "Ever since the armistice was signed people have been indulging in a wild spending orgy, buying only the highest-priced goods and satisfying extravagances almost to an extreme. This spending hysteria now seems to be waning, although the change is not yet pronounced."

FOR THE RELIEF OF RHEUMATIC PAINS.

When you have stiffness and soreness of the muscles, aching joints and find it difficult to move without pain try massaging the affected parts with Chamberlain's Liniment. It will relieve the pain and make rest and sleep possible.

His Drawing Powers.

"Can you draw?" an applicant for a private tutorship was asked. "Certainly," replied the candidate: "at ten years of age I could draw cider; at twelve, a picture; at fifteen, a hand-cart loaded with cabbage; at sixteen, an inference; at twenty, a bill of exchange. If I were an actor I believe I could draw the largest house; but, being a teacher, I am content to draw a small salary!"

A Prominent Nurse Testifies

COVINGTON, KY.—"I have been recommending Dr. Pierce's Favorite Prescription to my patients and persons of all friends for several years, ever since it restored me to perfect health after a very serious illness with inward trouble."

In every instance that I have known women to take Dr. Pierce's Favorite Prescription for feminine weakness, or if in need of a special tonic during expectancy, it has never failed in giving the utmost satisfaction. It is a woman's medicine that can be depended upon to relieve nervous conditions, besides building up and strengthening the entire womanly organism. I shall always praise Dr. Pierce's Favorite Prescription most highly. —MRS. PATTIE ELLIOTT, 1413 Kendall St.

Favorite Prescription should have the full confidence of every woman in America because it contains no alcohol and no narcotic. Doctor Pierce knew, when he first made this standard medicine, that whisky and morphine were injurious, and so he has always kept them out of his remedies. Dr. Pierce's Favorite Prescription can be procured in all drug stores in either fluid or tablet form.

Send 10 cents to Doctor Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package of the tablets.

PARIS EDUCATOR NAMED TO EXAMINE PAPERS.

Thirteen persons to grade teachers' examination papers have been appointed by Superintendent of Public Instruction George Colvin. They will do the work in Frankfort.

The persons named are P. H. Hopkins, Lancaster; James A. Payne, Elizabethtown; Lee Kirkpatrick, Paris; Mrs. M. L. Hall, Shelbyville; John L. Graham, Owensboro; Miss Lyle Booker, Eminence; D. H. Lyons, Mt. Vernon; Miss Emma Noonan, Springfield; J. A. Howard, Elizabethtown; Miss Jennie E. Wise, Midway; Miss Annie L. Gore, Bloomfield; A. B. Crawford, La Grange; J. W. Ireland, Frankfort.

Heretofore papers of applicants for teachers' certificates were examined in the counties in which they were prepared. Under the present system these papers must be submitted to the Department of Education and be graded by the appointees of the Superintendent of Public Instruction. The papers are numbered and the graders do not know whose papers are being examined. The graders will have between sixty and seventy-five thousand papers to examine and mark during the year.

ENDORSES KENTUCKY'S ENDORSEMENT OF COX.

In a recent editorial on the candidacy of Gov. James M. Cox, of Ohio, for the Presidency, the Utica, (N. Y.), Observer endorses Kentucky's endorsement of the popular Ohio man, as follows:

"The decision of Kentucky to give its delegates to the Democratic convention to Governor James M. Cox, of Ohio, and the certainty that several other States will soon follow a similar course brings the name of this possible candidate prominently before the country."

"He is a natural orator and debater. His audiences soon come into sympathy with him, for he possesses the boldness of an aggressiveness of Roosevelt, combined with the adroitness and skill of Wilson. His speeches are marvels of terse, snappy, homely, straight-forward truths, and he has the faculty of seeing a point and taking advantage of it on the instant."

"Should he be nominated by the Democrats, James B. Cox will prove a most aggressive candidate, and he will be a hard man against whom to make a canvass, as there is no blemish in his career."

AN EXAMPLE OF REPUBLICAN PARTISANSHIP

It is doubtful if the history of our National Government gives an instance of more shameless partisanship than that exhibited by the majority on the House Ways and Means Committee, which recently excluded the Democratic members from all part in its conferences. When the Soldier Bonus Bill was drafted, no Democrat on the Committee was permitted to know what was in the bill until after it was reported out, when, notwithstanding it ought to have been dealt with as a broad, patriotic measure, it was ordered put through the House as a strictly Republican enterprise. This, of course, is oligarchy of the worst sort. When the minority is not allowed to be present at the drafting of an appropriation bill, to say nothing of having a voice in its preparation, and the whole people must contribute to the revenues, it is taxation without representation, which is the first rudiment of tyranny. Democratic and Republican soldiers fought side by side in the war and fell side by side on the battlefield, and their representatives should sit side by side and speak jointly in providing the honorarium for the men who bore the burden and heat of the day.

CUT THIS OUT AND TAKE IT WITH YOU

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. This is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

Harris, Grand Master of the State, making the principal address.

BEST REMEDY FOR STOMACH TROUBLE.

"I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel, of Moberly, Mo. I have taken them oft and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine."

Mr. Parker was a son of Mr. and Mrs. Robt. Parker, who resides in the Little Rock vicinity for many years. He was a member of Rathbone Lodge No. 12, Knights of Pythias, of Paris, and took an active interest in all the workings of the order. He was highly esteemed by all who knew him. He is survived by his widow, formerly Miss Maude Rankin, of the county, one

son, Raymond Parker, and two daughters, Luetta and Erma Parker, all of Bourbon county, his mother, Mrs. Robert Parker, and six brothers.

The funeral will take place at the family residence at two o'clock this (Friday) afternoon, with services conducted by Rev. Mr. Kidwell. The burial will follow in the Paris Cemetery, where the Knights of Pythias lodge will have charge of the committal services. The pall-bearers will be Ira Rankin, Wm. Rankin, Flody Rankin, Ora Rankin, James Rankin and George Carter.

CHRISTIAN CHURCH NOTES.

—The services at the Christian church last Sunday were very full of inspiration, food for thought, and full of the gospel. At the morning service Marion Doyle made confession and Mr. Tom Taul was received into the church. The Study of World Problems (mission study) took the place of the regular evening program. The classes started off well and much interest was manifested. This is a fine opportunity to learn of the world problems. Come out next Sunday night and take part in this splendid program. The three boys who made the confession recently were baptized Wednesday night just following the prayer meeting service. The public is very cordially invited to attend all the services of the church.
